

Organic Workshop and Field Day Lane, OK

Tuesday, July 14th, 2009

(2:00 P.M. - 8:00 P.M.)

*** * * * Agenda * * * ***

Afternoon Workshop on Manure Use and Food Safety - 2 PM

- Learn about handling, storing, and using poultry litter and its value as a nutrient source for vegetables.
- Are you up to speed on food safety? Learn about what you can and should do to protect yourself and those who consume your produce.

Complementary Meal at 4 PM (Donations are Welcome!)

Twilight Tour of Research on Organic Production Topics - 5 PM

Join researchers to tour and discuss projects on cover crops for vegetables, disease control, weed management options, organic approved fertilizer sources, mulching options and their benefits, and niche market opportunities.

Crops include tomato, sweet potato, peppers, watermelon, cantaloupe, herbs and more!

10 miles east of Atoka on highway 3.

FREE

Register in advance to reserve a meal
