

# Web Resources

David Redhage

Updated 2022.02.14

*These websites offer background information on both Oklahoma native pollinators and the plants that form important parts of their habitat.*

*\* marks resources that are particularly good for Oklahoma.*

\***The Biota of North America Program** <http://www.bonap.org/> (the home page) or <http://bonap.net/NAPA/Genus/Traditional/County#ref>

## Bug Guide

<http://bugguide.net/node/view/15740>

## Digital Museum of Natural History

[https://www.facebook.com/Digital.Museum.of.Natural.History/photos\\_stream](https://www.facebook.com/Digital.Museum.of.Natural.History/photos_stream)

*very good poster on bees*

## Discover Life

[www.discoverlife.org/](http://www.discoverlife.org/)

## Flora of Oklahoma Project

<https://biosurvey.ou.edu/>

## Kerr Center for Sustainable Agriculture

<http://kerrcenter.com>

## Lady Bird Johnston Wildflower Center (Austin, TX)

<http://www.wildflower.org/>

## \*Noble Foundation (Ardmore, OK)

<http://www.noble.org/apps/plantimagegallery/index.aspx>

*Great online plant photo resource. Names of plants of interest (common or scientific) need to be known in order to use the database. Several companion printed books are also available for purchase.*

## NRCS Technical Information

<http://www.nrcs.usda.gov/wps/portal/nrcs/detail/plantmaterials/technical/publications/?cid=stelprdb1044847>

## Oklahoma Native Plant Society

<http://oknativeplants.org/>

## Oklahoma Natural Heritage Inventory

<http://oknaturalheritage.ou.edu/>

**Kerr Center for Sustainable Agriculture** • 24456 Kerr Rd., Poteau, OK 74953 • 918-647-9123  
[www.kerrcenter.com](http://www.kerrcenter.com)

**US Wildflowers**

<http://uswildflowers.com/wfquery.php?State=OK>

*The link is to the 'wildflowers of Oklahoma' section.*

**USDA Plants Fact sheets and Guides**

<https://plantsorig.sc.egov.usda.gov/java/factSheet>

**\*Xerces Society**

<http://www.xerces.org/>
